The crop / division / district-wise No. of seed growers registered, areas registered, certified and quantity of seed certified during the year 2017-18 are furnished in *Annexures–X, XI, XII & XIII* respectively.

VII. SEED PRODUCTION

1. Breeder seed production

Breeder seed production of Paddy, Jowar, Bajra, Maize, Redgram, Greengram, Blackgram, Bengalgram, Castor, Sunflower, Groundnut, and Vegetable crops was taken up by various State, Central and International Research Institutions located in the state. As a member of the monitoring team, this Agency has deputed senior officials for inspection of Breeder seed production plots as and when invited by the producing breeders.

2. Foundation seed production

An area of 5929.8 ha was offered for certification under Foundation seed class in 17 different crops and a quantity of 7,60,993.62 qtls of seed was certified. The crop / variety-wise areas offered, areas certified and quantity of seed certified are furnished in *Annexure-XIV*.

3. Certified seed production

An area of 23842.79 ha was offered for certification under certified seed class in 18 different crops and a quantity of 9,29,737.93 qtls of seed was certified. The crop / variety-wise areas offered, areas certified and quantity of seed certified are furnished in *Annexure-XV*

VIII. SEED VILLAGE PROGRAMME

During Kharif-2017 an area of 1604 ha in 204 units was registered under Seed Village Programme and 1061.20 ha in 51 units was certified.

During Rabi-2017-18 an area of 899.60 ha in 125 units was registered under Seed Village Programme and 623.60 ha in 96 units was certified.

The details of division/district/crop/variety-wise area offered, area rejected, area certified and quantity of seed certified during Kharif-2017 and Rabi-2017-18 are furnished in *Annexure-XVI*.

IX. SEED PRODUCING AGENCIES

163 seed producing agencies involving 37281 growers have offered areas under different crops for certification. The company / seed class-wise areas registered, areas certified and quantity of seed certified are furnished in *Annexure-*

XVII. The crop / major company / season-wise area offered, areas certified and quantity of seed certified under Foundation and Certified seed classes have been furnished in *Annexure-XVIII*.

X. SEED PROCESSING UNITS

During the year 2017-18, 382 seed processing units / Groundnut cleaning centres have been registered with TSSOCA for undertaking processing of seeds under certification. The list of the seed processing units is given in *Annexure-XIX*.

XI. VALIDATION

A quantity of 14676.91 qtls was validated during the year under report. The statement showing the crop / variety-wise quantity of seed validated / re-cleaned & validated is furnished in *Annexure-XX*.

XII. SEED TESTING

Name of the Lab	Total Samples Tested		Standard		Sub-Standard		% failure	
	2017-18	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18	2016-17

TOTAL	20851	20019	20351	19567	500	452	2.46	3.21

A total of 20019 seed samples were analyzed in the two notified seed testing laboratories during the year 2017-18 (From 01.07.2017 to 30.06.2018) as given below compared to 2016-17.

The statements showing the crop / laboratory-wise details of certified / service samples tested in two seed testing laboratories of TSSOCA during the year 2017-18 are given in *Annexure-XXI & XXII* respectively.

XIII. GENETIC PURITY TEST (Grow-out Test)

The Certification Agency conducts Grow-out Test to determine genetic purity of a seed lot wherever it is a pre-requisite for grant of the certificate.

During the year under report, 12 samples of Bajra and 09 samples of fodder jowar were subjected to Grow-out Test. The details of crop / class / variety-wise No. of Foundation samples tested for genetic purity are furnished in *Annexure – XXIII*.

International (OECD) Seed Certification

The Government of India has nominated Telangana State Seed & Organic Certification Authority (TSSOCA), as one of the Designated Authorities for implementation of OECD Seed Schemes in the country and empowered to be operational in the States of Telangana, Andhra Pradesh, Odisha, Chhattisgarh, Tamil Nadu, Karnataka, Kerala and two union territories viz., Puduchery and Lakshadweep with an objective to facilitate the seed exports by removing the technical trade barriers through internationally recognized labels and certificates.

The TSSCOA has done several commendable achievements in the field of international (OECD) seed certification viz., convened national and international capacity building/training programmes. Initiated the registration of area under the OECD Seed Schemes and for the first time in the country facilitated the seed exports to different countries under OECD labels and certificates.

I. Capacity Building Activities conducted by TSSOCA during 2017-18:

1. Pre-seasonal meeting on International (OECD) Seed Certification:

The pre-seasonal meeting was organized with all the major seed producers/growers including representatives from NSC, MSSDC, KSSOCA, APSSCA & Seeds Men Association, Hyderabad at, Kurnool, Andhra Pradesh on 26.09.2017 with an objective to sensitize the seed producers and to increase the area under International (OECD) Seed Certification.

2. Theoretical workshop on International (OECD) Seed Certification:

The theoretical workshop on International (OECD) Seed Certification was organized from 24th to 29th November, 2017. The aim of the workshop was to impart training on general procedures of OECD Seed Schemes, field inspections, control plot tests and seed sampling and also to create awareness on International (OECD) Seed Certification.

The workshop was comprised of various technical sessions/lectures followed by one day practical on seed sampling. In the workshop 56 participants from the State Seed Certification Agencies, State and National Seed Corporations, SAUs/ICAR Institutes and private seed industry from different States across the country have participated. The Workshop provided a platform to discuss the issues related to International (OECD) Seed Certification and to develop coordination among the all the stakeholders to promote seed export.

3. Practical workshop on International (OECD) Seed Certification

In continuation to the theoretical workshop held in November, 2017, the practical workshop was organised by involving OECD seed experts from April 3-7, 2018. The main aim of the workshop was to impart practical hands on training on field inspections and control plot tests in the context of International (OECD) Seed Certification.

The workshop comprised of one day theoretical session followed by three days practical on control plot tests and field inspections in the OECD seed plots at Hyderabad and Karimnagar districts respectively. About 50 participants from the State Seed Certification Agencies, State and National Seed Corporations, SAUs/ICAR Institutes and private seed industry from different States have participated in the workshop.

4. Interaction meeting on “Promotion of seed exports under International Seed Certification”:

Interaction meeting on “Promotion of seed exports under International Seed Certification” was held on April 7, 2018 under the Chairmanship of Dr. S. K. Pattanayak, IAS, the Secretary (Agriculture), Govt. of India, where in the various issues related to International seed certification were discussed and to sensitize the seed industry to increase the seed exports under International Seed Certification system were discussed.

5. Regular meetings with major seed companies:

Apart from the above workshops/meetings, TSSOCA is regularly conducting meetings with major seed companies to encourage them to exports seeds under OECD Seed Schemes.

II. Details of area registration, seed produced and exported under OECD Seed Schemes during 2017-18:

During 2017-18 an area of 2562.70 acres was registered (Pre Basic- 3 acres, Basic- 50 and Certified - 2509.70 acres) and an area of 2512.7 acres was certified under the OECD seed certification. Different crops like Sorghum (Grain & Fodder), Maize, Paddy, Bajra and Sunflower were registered. A quantity of 25593.18 quintals of seed was produced (including 1650.00 qtl from Rajasthan) under the Schemes. Organic Certification

The Government of Telangana has permitted TSSOCA to start Organic certification by establishing Telangana State Organic Certification Authority (TSOCA), accordingly TSOCA was established as per the National Programme of Organic Production (NPOP) standards. TSOCA has applied for accreditation by the Agricultural and Processed food Export Development Authority (APEDA), New Delhi. Accreditation was issued by APEDA under NPOP Crop production on 1st June 2018.

Telangana state is blessed with varied agro-climatic conditions and different soil types, thus possessing unlimited possibilities for organic farming without affecting the food grain production.

It is a system of certifying the processes of organic crop production and organically processed food products including input suppliers, farmers, processors, retailers and restaurants. It is a quality assurance initiative, intended to assure quality, prevent fraud and to promote commerce based on a set of standards and ethics.

Establishment:

A separate entity of Telangana State Organic Certification Authority (TSOCA) is formed and office was inaugurated in January, 2017 by Sri Pocharam Srinivas Reddy, the Hon`ble Minister for Agriculture, Government of Telangana.

Progress of Organic Certification:

TSOCA has registered 831 acres in 90 holdings from different organic farmers of Telangana and Andhra Pradesh states and realized revenue of Rs. 100,380/- during the year 2017-18. The major crops covered are Paddy, Maize, Millets, Pulses (Redgram, Green gram, Black gram & Bengal gram), Oilseeds (Groundnut, Sunflower and Sesame), Vegetables (Tomato, Brinjal, Chillies, Leafy vegetables) Fruit crops (Mango, Sapota, Guava Pomegranate under organic certification.

State Organic Policy:

Organic farming is gaining momentum all over the world recognizing the problems associated with conventional/chemical agriculture, increasing cost of cultivation and its impact on environment and health. It is now accepted that organic farming methods can bring in ecological and economic sustainability in farming, aiming at production of quality and safe agricultural products without chemical residues.

The Government of Telangana is coming up with a separate organic policy for the state. The policy will comprise broader themes like Strategies for promotion, Institutional mechanism and Support systems needed for promotion of organic farming and certification.

In this connection, the committee had preliminary discussion on May 22, 2017 on Organic Farming and Certification for preparation of State Organic Policy and it was decided to have a consultative meeting with all the stakeholders related to organic farming and certification viz., State Agriculture and Horticulture Universities, Dept. of Agriculture and Horticulture to share their views and suggestions in the policy along with a brief presentation.

Report on the Financial Statements:

We have audited the accompanying financial statements of **TELANGANA STATE SEED & ORGANIC CERTIFICATION AUTHORITY** ("the **AUTHORITY**") [formerly known as Telangana State Seed Certification Agency] which comprise the Balance Sheet as at 31st March, 2018, the Statement of Income and Expenditure, and the Receipts and Payments Account for the year then ended and other explanatory information.

Management's Responsibility for the Financial Statements:

The Management of the 'AUTHORITY' is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Authority in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation, and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements together with the schedules annexed therewith, *and subject to our observations furnished at Annexure-A to this report*; give the information required in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

Re: Telangana State Seed & Organic Certification Authority – year ended 31/03/2018.

Observations on certain aspects of the Agency:

1. There is no prescribed format / proforma for the Annual Accounts of the Authority, comprising of Balance Sheet, Income and Expenditure Account, Receipts & Payments Account etc.
2. The Authority does not have an Internal Audit / Internal Control systems commensurate with the size of the operations and the nature of activity.
3. The Authority follows 'Cash System' of Accounting and as such the cost of cloth bags, seed tags and stationery are charged to revenue in the books of the agency on the basis of incurrance of expenditure, without recognizing the value of closing inventories, if any, as on the date of closure of books.
4. The Authority has filed an application with the Income Tax Department seeking exemption for its income from the Income Tax u/s 11 of the Income Tax Act 1961. The Income Tax Department, Vide its Order Dt: 29/04/2016 rejected the application of the Authority. The Authority has preferred an Appeal against the above rejection with the Income Tax Appellate Tribunal (ITAT). ITAT, vide its Order dated 25/01/2018, had directed the Commissioner of Income Tax –Exemptions (CIT-E) *to consider the aims and objects of the society and grant registration u/s 12AA of the Act if the Assessee's activities falls under the definition of charitable purpose u/s 2(15) of the Act without reference to the proviso there under.* We are informed that the Authority has since submitted the required information to the appropriate authorities and that the Authority is confident of obtaining the Registration u/s 12AA of the Income Tax Act. Pending the above, no Provision has been made towards Income Tax Liability, if any, of the Authority for the year under consideration.
