TELANGANA STATE SEED & ORGANIC CERTIFICATION AUTHORITY

About the organization

As per the Andhra Pradesh Reorganization Act-2014 (Act-6 of 2014), the State of Andhra Pradesh has been bifurcated into two States viz., Andhra Pradesh and Telangana from the date of appointed day i.e. 2nd June, 2014. The Andhra Pradesh State Seed Certification Agency (APSSCA) is listed in the 10th Schedule of the Act at Sl. No.20 in the “list of Training Institutions / Centres” for Continuance of facilities in Certain State Institutions to cater the needs of the public.

As per the Act, APSSCA is bifurcated into two Seed Certification Agencies meant to serve the purpose of Certification in both the successor States. Accordingly, Telangana State Seed Certification Agency (TSSCA) was registered on 5th July 2014 vide No.390 of 2014 under the Andhra Pradesh Societies Registration Act, 2001. The Govt. of Telangana nominated the Director to the Telangana State Seed Certification Agency to start functioning in the geographical area of Telangana State.

The Govt. of Telangana also constituted the Governing Board separately for Telangana State vide G.O.Rt.No.39 of Dt:18.07.2014 with Principal Secretary to Government (Agriculture & Co-operation Dept.) as Chairman, and the Director of TSSCA as Member-Secretary for developing over all policy guidelines in certification in line with the Acts, provisions and Central Seed Certification Board's(CSCB) recommendations. Subsequently, vide G.O.Rt.No.347, dated 11.07.2016 the TSSCA was renamed as Telangana State Seed & Organic Certification Authority (TSSOCA).

TSSOCA: The task of Seed Certification is undertaken as per the Indian Minimum Seed Certification Standards, 2013 published by the Central Seed Certification Board. IMSCS consists of General Seed Certification Standards (GSCS) which are basic and applicable to all crops under certification and Specific Seed Certification Standards (SSCS) which are applicable to a crop.

Main Mandate

To maintain and make available high-quality seeds of notified varieties to the farming community through Certification process.

TSSOCA is certifying about 18 to 20 lakh quintals of seeds of different crops annually and facilitating supply of certified seeds to 10 to 12 neighbouring States besides meeting State's requirement, thereby ensuring supply of quality seeds to the farmers.

Functions

1. National / Domestic Seed Certification
2. International (OECD) Seed Certification
3. Organic Certification

Organizational Set-up:

The head quarter is located at Hyderabad with five divisional offices at Hyderabad, Nizamabad, Warangal, Karimnagar and Gadwal with two Seed Testing Laboratories at Rajendranagar (Hyderabad) & Karimnagar. The divisional offices are headed by Assistant Director of Seed Certification (ADSC) and assisted by Seed Certification Officers (SCOs) depending upon the area registered for certification and quantity of the seed certified.

Major Crops

TSSOCA deals with the crops like paddy, pearl millet, sorghum, corn, peanut, sesame, soybean, pulses, jute, vegetables, fodder crops, etc., meeting the seed requirement of the state as well as other states like Andhra Pradesh, Maharashtra, Gujarat, Tamil Nadu, Madhya Pradesh, Karnataka, Rajasthan, West Bengal and Orissa etc.

Seed Certification Process : Completed in 6 broad phases;

1. Seed source verification
2. Registration of seed production plots
3. Field inspections to verify conformity to the prescribed field standards
4. Post-harvest supervision of seed processing and packing
5. Seed sampling and analysis, to verify conformity to the prescribed seed standards
6. Issue of tags and certificates for standard seed lots

Benefits to the Farming Community:

- Provision of clean seed to the farmers, as Certified seed is grown and processed under stringent production requirements with strict limits on weeds and other crop kinds.
- Certified seed uses strictly monitored quality management systems to maximize varietal purity by making sure to get the specific variety by minimizing the other varieties and off-types.
- Inspections in the field and at the processing plant ensure that all quality assurance requirements have been met and documented.
- Food safety and traceability are important considerations in agriculture. Certified seed is the key to food safety as the production of this seed is carefully controlled under a quality assurance system right from the beginning. Using Certified seed will allow to capitalize on traceability measures.
- Improved traits such as better yield, pest resistance, drought tolerance, herbicide tolerance, and much more are delivered to farmers in Certified seed.
- Planting Certified seed is the ever-increasing investment required for modern crop production.
- Certified seed is the only input that can get you more than just higher yields.
- Certified seed allows getting a better deal on crop insurance premiums

The statements showing the crop / laboratory-wise details of certified / service samples tested in two seed testing laboratories of TSSOCA during the year 2017-18 are given in Annexure-XXI & XXII respectively.

XIII. GENETIC PURITY TEST (Grow-out Test)

The Certification Agency conducts Grow-out Test to determine genetic purity of a seed lot wherever it is a pre-requisite for grant of the certificate.

During the year under report, 05 samples of Bajra, 03 samples of Fodder Jowar and 12 samples of castor were subjected to Grow-out Test. The details of crop / class / variety-wise No. of Foundation samples tested for genetic purity are furnished in Annexure – XXIII.

INTERNATIONAL (OECD) SEED CERTIFICATION

The Government of India has nominated Telangana State Seed & Organic Certification Authority (TSSOCA), as one of the Designated Authorities for implementation of OECD Seed Schemes in the country and empowered to be operational in the States of Telangana, Andhra Pradesh, Odisha, Chhattisgarh, Tamil Nadu, Karnataka, Kerala and two union territories viz., Puduchery and Lakshadweep with an objective to facilitate the seed exports by removing the technical trade barriers through internationally recognized labels and certificates.

The TSSCOA has done several commendable achievements in the field of international (OECD) seed certification viz., convened national and international capacity building/training programmes. Initiated the registration of area under the OECD Seed Schemes and for the first time in the country facilitated the seed exports to different countries under OECD labels and certificates.

During 2018-19 an area of 1410.5 acres is being registered (Pre basic – 12.90 acres, Basic – 5.50 acres & Certified – 1392.00 acres) under different crops like Paddy, Maize, Sorghum, Bajra & Sunflower and an area of 1410.50 acres was certified and a quantity of 13,402.67 quintals of seed was produced. Out of which 7047.71.00 quintals of seed has been exported to Egypt, Sudan, Italy, Russia.

Details of area registration, seed produced and exported under OECD Seed Schemes during 2018-19:

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the Financial Statements in accordance with the aforesaid Accounting Standards, and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's

report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- › Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- › Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of the entity's internal control.
- › Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- › Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Re: Telangana State Seed & Organic Certification Authority – year ended 31/03/2018.

Observations on certain aspects of the Agency:

1. There is no prescribed format / proforma for the Annual Accounts of the Authority, comprising of Balance Sheet, Income and Expenditure Account, Receipts & Payments Account etc.
2. The Authority does not have an Internal Audit / Internal Control systems commensurate with the size of the operations and the nature of activity.
3. The Authority follows 'Cash System' of Accounting and as such the cost of cloth bags, seed tags and stationery are charged to revenue in the books of the agency on the basis of incurrance of expenditure, without recognizing the value of closing inventories, if any, as on the date of closure of books.
4. The Authority has filed an application with the Income Tax Department seeking exemption for its income from the Income Tax u/s 11 of the Income Tax Act 1961. The Income Tax Department, Vide its Order Dt: 29/04/2016 rejected the application of the Authority. The Authority has preferred an Appeal against the above rejection with the Income Tax Appellate Tribunal (ITAT). ITAT, vide its Order dated 25/01/2018, had directed the Commissioner of Income Tax –Exemptions (CIT-E) to consider the aims and objects of the society and grant registration u/s 12AA of the Act if the Assessee's activities falls under the definition of charitable purpose u/s 2(15) of the Act without reference to the proviso there under. We are informed that the Authority has since submitted the required information to the appropriate authorities and that the Authority is confident of obtaining the Registration u/s 12AA of the Income Tax Act. Pending the above, no Provision has been made towards Income Tax Liability, if any, of the Authority for the year under consideration.
